Shhhhh... ask about our Secret Menu!

"Our thin crust Neapolitan style pizza originated in our Great, Great, Great Grandma's kitchen in Naples, Italy during the 1800's. It made it's way, as many Italians did, to "The Big Apple" New York.

In 1991, we traveled to New York to learn the 100 year old family secret behind hand-tossed pizza and it's secret sauce. We returned to Vancouver and proudly introduced our family's thin crust style pizza to Kitsilano in 1992 and then to the West End in 2000."

Real Italians making Real Italian Pizza in the true Neapolitan tradition for over 20 years!
